

The POWER of Reading a Book (or two) a Month!

This book list is designed to empower your business for the first year. The quick, easy-to-read books are listed first. That makes it easier to re-develop a reading habit. All of them are POWERFUL!

In The Sever Organization, we know that without reading constantly, you cannot achieve your financial goals in this business. These books are a great start!

They are very easy to find through Google or Amazon.
